Dear Parent / Carer

Springwell Leeds OfSTED Report

You will remember that Springwell Leeds Academy received its first OfSTED inspection on the 18th and 19th of June this year. I am pleased to say that the report from this inspection has now been published and I am able to share it with you all.

You will see that the Academy has been graded as “GOOD” in all areas, an outcome with which we are absolutely delighted as it confirms exactly where we had judged ourselves to be. Behind that GOOD judgement are some very pleasing comments in the report, which recognises the hard work done by all of our staff teams over the last three years in our settings across Leeds. I hope you will enjoy reading it.

As I said in a previous newsletter, the inspectors saw us at our best and I am very proud of the way in which the children behaved during the inspection and the way in which they spoke to inspectors about the Academy. I am also grateful for those of you who took time to complete a survey or speak to the inspectors.

This report gives us a launch pad for the next stage in our journey and we are already looking forward to sharing our future successes with you all.

Yours sincerely

Scott Jacques
