

Write down a piece of music in each box below, and explain why you think it might make you feel the emotion. Its ok if you don't know why!

Music can make us feel different emotions

A piece of music that makes me feel sad:

Why?

A piece of music that makes me feel disgusted:

Why?

A piece of music that makes me feel happy:

Why?

A piece of music that makes me feel calm:

Why?

A piece of music that makes me feel angry:

Why?

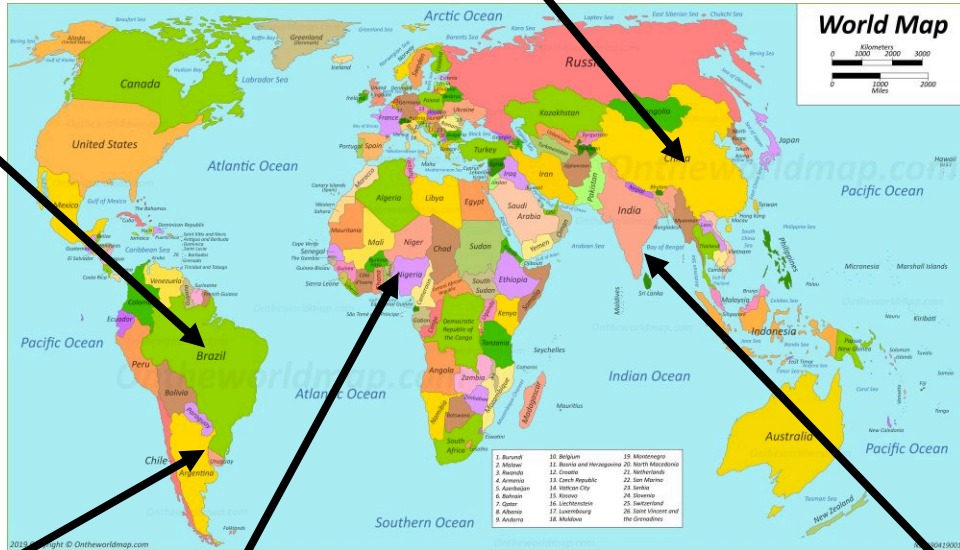

World music

Using the internet to help you, can you match up the different kinds of world music with the countries that they come from?

China:

Brazil:

Kinds of music:

Bhangra

Samba

Tango

Pentatonic

Tribal drumming

Argentina:

West Africa:

India:

Listening to music:

How does this piece of music make you feel?

What colour does this piece of music remind you of?

If this piece of music was in a film, what would be happening in the film?

Choose one of these pieces and listen to it on YouTube.

1. Eye of the tiger – Survivor
2. Sweet Home Alabama – Lynyrd Skynyrd
