GUIDANCE NOTES

How can I find out if I qualify for assistance?

Please read Leeds Children's Services Transport Policy July 2017 before you fill in the form.
If you would like a paper copy or have any questions, please ring 0113 378 1820 (option 2).

Who is the application form intended for?

It's for parents and legal guardians who live in the Leeds District of West Yorkshire.
You may use this form to apply for assistance if your child:

- would have to walk a distance of two miles or more to get from home to the school named on their Statement of Special Educational Needs (SEN) or Education, Health and Care (EHC) Plan; or
- lives within statutory walking distance of the school named on their Statement or EHC Plan, but has a learning difficulty, disability or mobility problem that means they are unable to walk even relatively short distances so the need for assistance is apparent in the Statement or EHC Plan; or
- has a temporary mobility problem, such as a broken leg, and you are unable to provide transport yourself.

Although it's a parental responsibility to ensure that your child attends school regularly, we will use the information you give us to check whether you are entitled to assistance from the local authority.

What sort of assistance could I get?

We will assess what would best meet your child's needs. To do this, we look at the information you give us on the application form and may also come and meet with you and your child. If they qualify for assistance, we will provide the least restrictive and most cost-effective form of assistance that we can. It could alter midway through the academic year and involve one or more of the following awards:

- a **Zero Fare School Pass**, which is accepted for travel on buses and trains operating within the county of West Yorkshire and allows one journey to school and one journey home between 7am and 7pm each school day – it can be used on more than one service if no direct service is available and the child needs to change from one bus service to another (or from bus to train and vice versa), but it is not valid if they break their journey unnecessarily and try to re-board without paying.
- a **Zero Fare School Pass**, which would allow your child to travel on a special school bus free of charge - these 'school specials' are funded by the local authority to serve areas where ordinary bus services are not available.
- **travel training** to enable your child to work towards travelling independently on public transport;
- a **travel buddy** who could walk with your child or travel with them on public transport for a short period of time;
- a **mileage allowance, fixed payment** or **travel allowance** if you would like to use your own vehicle or make your own arrangements to take your child to and from school;
- a **taxi or minibus** to transport your child from your permanent home address to school and back - if we offer to provide you with a taxi or a minibus, your child is likely to travel with other pupils;
- a **passenger assistant** to travel with your child in a taxi or minibus.

If my child qualifies for a Zero Fare pass, when would I receive it?

Providing we receive your application by **the second Friday of July**, your child's pass will be posted to you during the last week in August. It will generally be valid for use between September and July. Please note that if your application reaches us after the second Friday of July, we may not be able to process it before the start of the new school year. At other times, you must allow 15 working days for us to process your application. Remember, children can only travel free of charge if they have a valid pass.

If my child is awarded a taxi or minibus, can they use it to go to other locations?

No. We only provide assistance to enable children to travel between their permanent home address and the school at which they are on roll, at the beginning and end of the school day.

Continual review and transport reviews

We may need to undertake a transport review while we are supporting your child's transport requirement. We do this to ensure that we're still offering the most suitable form of support to your child. This review will normally be conducted at your home address, but we can also do this at other appropriate meeting places. If we do need to conduct such a review, we will discuss this with you and schedule the meeting. Failure to allow such a review to take place will put any support that we're providing at risk of being withdrawn.

What if I apply for assistance, but my child does not qualify?

We will send you a letter explaining exactly why. Where appropriate, we will also return your photo.

My child has behaviour difficulties. What else do I need to know?

We have a duty to ensure the health, safety and well-being of children and the people who are employed to help them in any way. If your child's behaviour is likely to place themselves or other people in danger, we reserve the right to withdraw our support at any time, pending review and reassessment of their travel needs. If they are awarded a Zero Fare pass and breach the Code of conduct or Conditions of use listed in the carrier letter that accompanies the pass, the bus or train operator may withdraw the pass. You would have to write to Metro to explain what happened.

How do I apply for assistance?

You must:

- read the policy and guidance notes carefully;
- fill in the relevant parts of the application form;
- read and sign the correct declaration in Part 9;
- put your application in a suitable envelope;
- include any extra information you want us to look at;
- if you are applying for a Zero Fare pass, attach a passport-approved photograph measuring 35mm x 45mm – write your child's name, date of birth and the name of their school on the back; and
- send your application to the address shown on the form - check that you have used the correct postage and consider getting a Certificate of Posting from the Post Office.

We will return the form to you if:

- any part of the application is missing or illegible e.g. contact details, wheelchair make and model
- you haven't given us all the information we need;
- you haven't signed the declaration:
- you do not provide a password: or
- the photograph you send us isn't suitable.

How and when will I hear if my child qualifies for assistance?

We will write to you at your permanent home address once we have processed your application. This can take up to 15 working days from the date **we receive your fully-completed form**. Please bear in mind that, if we agree that your child needs a taxi or minibus, it can take several weeks to put the necessary arrangements in place. In order to allow time for us to assess and arrange support for the start of term in September, you will need to submit your application **by the last Friday in June**.

What if my child moves house or transfers to a different school?

You must let us know as soon as possible, please ring the SEND Transport Assessment Team on 0113 378 1820 (option 2). Existing arrangements may be terminated. If you still want assistance to get your child to and from school, you must fill in a new application form that includes up-to-date information so we can re-assess their needs.

What if my child needs to make other journeys?

If you need to find out which buses serve the area in which you live, call Metroline on 0113 245 7676. Bus and train times in West Yorkshire can also be found on Metro's website at www.wymetro.com

Anyone who lives in Leeds and is aged 11 to 16 needs to get an **Under 16 Photo Card** to prove that they are entitled to travel at half the adult fare on buses and trains within West Yorkshire. Similarly young people aged 16 to 18 who are permanently resident in West Yorkshire are permitted to travel at half-fare on buses and trains within West Yorkshire on production of a **16 - 18 Photo Card**. For more details about these smart cards visit www.generationm.co.uk

If your child is disabled or blind and you want to apply for an English National Concessionary Pass, ring Contact Leeds on **0113 222 4444** or write to Contact Leeds, P.O. Box 657, Leeds LS1 9BS

What if my child has a medical condition but no EHC Plan?

Please provide:

- information from a qualified medical practitioner to explain how the medical condition affects your child's mobility - this practitioner could be your doctor, a physiotherapist or hospital consultant;
- a statement telling us why your child cannot use public transport and why you cannot provide transport yourself;
- a letter from the school that confirms the timetable your child will be using whilst receiving our support; and
- how long you think that you will need support from us - this should be supported with a statement by the relevant medical professional.
