

WELLSPRING

We Make A Difference

Friday 15th July

Dear Parent/ Carer

Re: Extreme Heat Precautions

The Met Office has issued an **Extreme Heat (Red)** Weather Warning affecting our region on Monday and Tuesday next week.

Their guidance describes population-wide adverse health effects resulting from the expected temperatures, *not limited to those most vulnerable to extreme heat*, leading to serious illness or danger to life.

They advise that substantial changes in working practices and daily routines will be required.

We will assess the situation on Sunday. Should the Weather Warning remain in place, school closure is likely. We will notify you in the usual way should we be forced to close.

Yours sincerely

Mark Wilson, Chief Executive Officer, Wellspring Academy Trust
